

### **Declaration letter**

When you switch on equipment in U.S.A, only bands allowed in U.S.A are possible. To fulfill this goal, we, Arknave Internal, Inc. will disable RF operation that intends to be used outside of U.S.A. by changing configuration using R-35W configuration software.

Type: Waterproof Tracker  
Model: R-35W  
FCC ID : XXFR35W

on our behalf.
